

Compliance Toolkit for Precious Stones and Precious Metals Dealers

Quick guide for registered dealers on requirements relating to applications, notifications, regulatory submissions and compliance

This compliance toolkit is a quick guide for registered dealers on requirements relating to applications, notifications, regulatory submissions and compliance under the Precious Stones and Precious Metals (Prevention of Money Laundering, Terrorism Financing and Proliferation Financing) Act (“**PSPM Act**”¹). Information on the mode of submission and regulatory deadline can be found below. For details on the requirements, please refer to the PSPM Act and the Precious Stones and Precious Metals (Prevention of Money Laundering and Terrorism Financing) Regulations (“**PMLTF Regs**”²) by looking up the legislative reference.

While efforts have been made to ensure the accuracy of the toolkit, please note that it may not provide a fully exhaustive list of the approvals, notifications, regulatory submissions, and compliance required under the PSPM Act and PMLTF Regs.

Notwithstanding this toolkit, all registered dealers should familiarize themselves with all applicable regulatory requirements to ensure compliance.

Latest revisions are coloured in yellow.
